

STERLING LEADERSHIP FELLOWS

2024 - 2025

Elevate your leadership journey, boost organizational performance, experience applied learning and connect with a learning network of visionary leaders.

AN EXCLUSIVE COMMUNITY OF ASPIRING LEADERS

Sterling Leadership Fellows is an exclusive opportunity for aspiring leaders to transform their management style, broaden their perspective on performance excellence, and develop impactful leadership skills to drive sustained excellence in their organizations.

The Sterling Fellows Curriculum encompasses 14 monthly sessions to engage yourself in a dynamic learning experience with virtual sessions, in-person workshops, and industry-leading insights.

OVERVIEW AND KEY BENEFITS

Gain Exclusive Access: Integrate your executive learning journey with strategic events, including the Sterling Leadership Conference and South Florida Summit.

Grow your network with other performance leaders.

Sharpen Your Skills: Master essential leadership competencies, including visioning, strategic thinking, data-driven decision-making, and problem-solving.

Network with the Best: Connect with a curated cohort of elite, high-potential leaders and build lasting relationships.

Establish a Basis for Action and embed high-performance behaviors of the Core Values like Visionary Leadership and Systems Perspective, Agility and Resilience, and Customer-Focused Excellence.

Bring Immediate Value and Improvement to your organization. Develop and put your skills to work addressing a real-life strategically oriented challenge your organization faces. Tackle real-world challenges through team-based projects and a Capstone Training Experience.

Earn Recognition: Graduate with a prestigious certification showcasing your leadership commitment and expertise.

"The Sterling Fellows Program has been developed to transition aspiring leaders from managing tasks to leading people while driving innovation and engagement within their teams."

– **Roland Martinez**, Broward County Health Department; Governors Sterling Award winner.

"The program's focus on world-class leadership through applied learning will provide an invaluable framework for evaluating and improving organizational performance."

– **Victoria Dune-Chari**, Wellstar Kennestone; Georgia Oglethorpe Award winner.
